...S OF THE TIMES

...E SPRING of 1914 has ...hown more new fashions ...e ever saw in our many ...f experience. This is especially true in Ladies' Dress Goods, both in the fabrics and weaves, and in the styles and colorings; the latest are especially attractive. Our collection in this important department was never so complete or so up-to-date and our sales never so large as this spring.

We make it a point to always secure the newest things, and as in all lines we buy exclusively direct from the manufacturers or importers, you are always safe to find the newest here, often a season before other stores can show it, and always at the lowest possible prices, for with us you need pay no middleman or jobber's profit; we have saved that for you.

A look through our **Carpet and Rug Rooms** will easily convince you that it is not the big department stores that show the choicest collections. Often you will find among their immense stocks quantities of old styles and trash they have bought at a reduction and on which they base their misleading advertisements. You appreciate that it requires great care and experience to select the latest, choicest and most reliable from among such a mixed and bewildering collection.

Read the middle lines in this directory and you will see many items of interest and advantage to you. If you will see and compare, you'll find we make good every word we say in our advertisements. All goods exchanged or "money back" if anything is wrong. If you care to keep fully posted up-to-date, read our advertisements in the newspapers, not alone for the lowest prices, but for up-to-date goods and best values.

Boyd's Directory,

Reading, Pa.

Gentlemen:--

It might interest you to know that we have been advertising now in Boyd's Directories for 27 years successively, starting at first with Boyd's Reading City Directory and eventually advertising in the Boyd's Directories covering other towns because we found that the results warranted our action.

We find that your D rectories are in constant use and therefore keep ur advertisement constantly before the eyes of the public and we know of no cheaper and proportionally more effective general advertising than in your Directories and for this reason we are glad to again renew our advertising with you. Many a well pleased customer has told us that he was directed to us by seeing our advertisement in your Directories and was glad of it.

As a matter of fact, as your Directories grow with the population so their value as advertising mediums grow, therefore we intend to stay with you in the future as in the past.

We also wish to compliment you on the thoroughness of your work and the courteous treatment you have always accorded us and we choose to hand you this "bouquet" while you are living because you deserve it.

Wishing you continudd success, we are,

Sincerely yours,

THE WM. F. REMPPIS COMPANY.

W. F. Remppis
